PREFACE.

The present volume has passed through many vicissitudes. The MSS. for the first five Parishes were sent to press as long ago as 1st July, 1910, by the late Mr. W. P. W. Phillimore, and at his death on 9th April, 1913, it was found that the volume was printed off as far as page 96 but that there was not sufficient MS. in hand to complete it. Some time elapsed before the present co-editor, overwhelmed with the labour involved by taking over the Chief Editorship of the entire series, now comprising thirty counties, could give attention to completing this volume, and the work in Berkshire has suffered through the lack of an energetic local Editor, such as have come forward in most of the other counties and contributed so greatly to their success. It is hoped that now the Berkshire Series has again been set going, someone interested in the genealogy of the County will help in this way and so enable this work to be made as useful as in other counties, in many of which the Marriages of over one hundred Parishes have been printed. It is only when the Marriages of a large co-extensive area have been made available that the many advantages of this method of dealing with the Register can be fully realised. **1379046**

The thanks of the Subscribers are due both to the Transcribers who have provided the abstracts, and to the Incumbents who have allowed them to be printed. The names of both are mentioned under the respective parishes.

The chief contractions used in these abstracts are "w." for "widow," or "widower," "p." for "of the parish of" and "*lic.*" for "married by licence."

In all cases where the marriage is stated to have taken place by licence, that fact is recorded, as the searcher thereby knows that further information as to the age, parentage and vocation of the parties is probably recoverable from the Allegations in the Archdeaconry or other office from which the licence issued.

It should be remembered that previous to 1752 the year was calculated as beginning on the 25th of March, instead of the 1st of January, so that a marriage taking place on say 20th February, 1625, would be on that date in 1626, according to our reckoning ; but as the civil and ecclesiastical year were both used, this is sometimes expressed by 20th Feb., 162⁵/₆.

After 1753 it is to be assumed that all parties not otherwise described are stated to be of the home parish, and bachelor and spinster respectively.

It might be well to remind the reader that these printed abstracts of the Registers are not legal "evidence." For certificates application must be made to the local clergy.

Berkshire Parish Registers.

Marriages at Harwell,

1559 to 1837.

NOTE.—Volume I. is parchment, containing Baptisms, Marriages, and Burials. The inside of front cover is illegible. The first five pages have been torn out. Commences 1558; ends 1687.

The extracts made from this Volume were examined and collated by the Rev. F. J. Williams, of Burghclere, 2 Sept., 1909, and various corrections, additions, etc., were made under his guidance, *e.g.*,—Found on a piece of a torn out page, 4 marriages, evidently 1559—John Woodley and de Danryge, of North Morton Thomas Fortie and Elizabeth Rawle. Richarde Weston and Johan Allen. 1560, 18th May, Richarde Blake (remainder of page torn), Dorothe Allyn. No year to next page, but evidently 1561.

Volume II. —“A Regester Book for the Parish of Harwell, in the County of Berks.

STEVEN KEATE, }
JOHN SMART. } *Churchwardens, 1700.*

This booke was bought by Richard Corderoy of Anthony Peisly, of Oxford, by order of the Minister and the Churchwardens, and Steven Keate paid for the booke Twenty-eight Shillings.”

“A true and exact Register of Christnings, Marriages and Burials within the parish of Harwell, in the County of Berks, from the 28th day of March, 1687.”

This book is parchment, containing Baptisms and Burials, commencing 1688, ending 1812; Marriages ending 1763.

Volume III.—the usual copy of printed forms—contains Banns of Marriages and Marriages from 1754 to 1812. The entries, 1754 to 1763, have been compared with the duplicates in Vol. II.

Volume IV.—1813 to 1837—is a similar book of 98 pages, with 294 printed forms, of which only 108 have been used.

The extracts have been made by the Rev. H. Crowther, Vicar of Harwell, and are now printed under his supervision.

[After this there are the remains of 11 pages, which have been cut away, and the back cover, which has no writing on the inside, but is full of illegible writing on the outside thereof, evidently Baptisms, Marriages, and Burials, as one may conclude from a word here and there.]

[These last are a repetition of the four marriages of 1643, viz.:—Stiles, Weston, Frauncis, Emersone.]

Marriages at Bradfield,

1559 to 1812.

NOTE.—The Marriage Register of the Parish of Bradfield, which is printed in the following pages, is in three volumes. The first is in three sections, and contains (1) Baptisms, 1539-1688; (2) Marriages from 1559-1685; (3) Burials, 1540-1684. The entries, clearly and carefully made, are on parchment, and the binding is of the same material. In the second volume the earlier leaves contain Marriages from 1695-1722, and for the year 1729, and at the end of the book—turning it upside down—are more entries, 1724 to 1754. The third volume begins in 1754, and is the usual book of printed forms, in which the marriage entry, with the signatures of the parties to the ceremony and the witnesses, is preceded by the publication of the banns.

The transcription was made by the Rev. F. N. Davis, B.A., B.Litt., and is printed by the permission of the Rev. Canon Hurt, Rector of Bradfield.

Marriages at Sparsholt,

1559 to 1812.

NOTE.—Volume I.—A parchment book of 118 pages, 12 by 7 inches.

It contains Baptisms, Marriages, and Burials, 1558—1734.

The entries are arranged together in alphabetical order of Christian names. At the end of the Ws is this note:—"Thus farre this new Register booke was coppied out of ye old Register booke by Thomas Todhunter ye yonger, by ye direction of his father, *Anno Domini* 1623, Aug. 30." So all before 1623 is a transcript. Thomas Todhunter, sen., was Vicar of Sparsholt. The entries in the following list have been re-arranged in chronological order.

Volume II.—A paper book roughly stitched into a piece of a parchment deed. Rebound in 1909. Contains Baptisms, Marriages, and Burials, 1707—1723. Also Burials in Woollen, 1678—1732, and Burials in 1742. Entries in chronological order.

Volume III.—A parchment book. Contains Baptisms and Burials, 1734—1812, and Marriages, 1734—1753.

Volume IV. contains Banns of Marriage and Marriages, 1754 to 1812. Ordinary printed forms.

Westcott and Fawler are hamlets in Sparsholt parish, Fawler being in the chapelry of Kingstone Lisle.

These extracts have been made by Rev. F. A. P. Shirreff, Vicar of Sparsholt with Kingstone Lisle, and Rev. J. F. Williams, and are now printed by permission of the former after collating the proofs with the registers.

Marriages at West Hendred,

1558 to 1837.

NOTE.—Volume I. is a paper book measuring 8-in. by 6-in. It is in its original leather binding and has a piece of vellum bound into each cover.

It was used as a register until 1604, but has on a leaf in front of the burials entries of two marriages and a burial of 1661, and at the end of the burials "A Register of all Dissenters Born Buried etc. pursuant to an Act of Parliamt Anno 1695." It contains record of the birth of nine children and one burial between 1696—1706, and also a memorandum that "Gabriel Holder who Hanged himself was laid in ye ground without Xtian Burial." It contains the Churchwardens accounts from 1603 to 1839, a list of Churchwardens from 1659 to 1808, and of Overseers from 1674-1811, also various Briefs from 1664 to 1805 and on the last page note of five banns of Marriages 1594—99. The Register is started in a bold careful style of handwriting. In Dec., 1572, the Register in the Marriages and Burials is re-headed in a smaller style of writing. The Baptisms seem to have a page missing, as there are no entries between 26 May, 1570, and 27 March, 1577.

Volume II. is a parchment book measuring 12½ inches by 7 inches and bound in vellum. It was commenced 1 March, 1604, and contains Marriages 1600-1725, Baptisms 1599-1727, Burials 1600-1727.

On a fly-leaf is a note of a private baptism in 1712 of a parishioner of East Hendred and is not in the register. On a page between marriages and baptisms there is a list of Church Goods, all but the last entry in the handwriting of the Rev. Thos. Wight (bur. 1692). Two leaves have been torn out of the Register previous to the baptisms of 1660, and at the end of the baptisms three leaves have been cut out and a fourth partly so. Several have also been cut out of the end of the burials.

In the Churchwardens accounts for 1604 there is a charge of *iiii^s. ix^d.* "for a Regester booke of parchment."

Volume III. is a parchment book measuring 12½ inches by 6 inches and is bound in leather covered boards.

It was commenced 14 June, 1727, and contains Marriages 1727 to 1754, Baptisms 1727-1812, and Burials 1737-1812.

On the inside of the front cover is a memorandum by the Rev. W. Bayley, 1801, giving particulars of the figures returned to Parliament in that year. The population of the Parish was then 309. He also gives the price of wheat and barley before the harvest of that year as being £50 and £30 a load respectively.

There is pasted in at the end of this volume the form of prayers used at the reception into the Established Church of John Carter, a convert from the Roman Church, together with the recantation read by him in the Church on Whitsunday, 1790. Signed by himself and Aaron Abraham Baker (Curate), and Robt. Hayward.

Volume IV. is a printed book of Forms for four entries to the page, the banns being with the Marriages, and was used to 1813.

Volume V. is a printed book of Forms for three entries to the page, containing 300 Forms, of which 42 are used.

These extracts have been made by Mr. A. H. W. Fynmore, of Dunstable, Bedfordshire, and are printed under his supervision by leave of the Rev. C. W. Emmet, Vicar of West Hendred.

[No Marriages registered, 1834—37].

Marriages at Sulham,

1723 to 1836.

NOTE.—The extant Marriage Register of the Parish of Sulham, in Berkshire, is as follows :—

A few entries, August 1723 to December 1729, are on a loose parchment sheet, which is apparently the last leaf of a volume.

The first bound volume contains (1) Baptisms, 1730 to 1812; (2) Marriages, 1732 to 1778; (3) Burials, 1730 to 1812. The respective entries are kept separately in the order named.

Volume II., of paper and bound in calf, contains Marriages only. Here the fuller form (as found in printed registers) is written by the clergyman officiating (as it seems). It runs from 1756 to 1812. The first page is headed as followed by marriages by licence; then comes a section for marriages by banns, but the distinction has not been invariably observed; and finally there is a third section without a heading containing some marriage entries from 1781 to 1797. Thus for the years 1756 to 1778 there are duplicate entries; those in Volume I. contain the simple record that a marriage took place, while those in the second volume have the longer form, signed by the contracting parties and witnesses, though in one or two cases the entry has not been made in Volume I. They are printed here as found in the first volume.

Volume III. is the usual book of printed forms of the period and extends from 1813 to 1836.

These extracts have been made by the permission of the Rector of Sulham, the Rev. H. C. Wilder, M.A., by the Rev. F. N. Davis, B.A., B.Litt., under whose supervision they are now printed.

* This is interesting as showing how the name of the hamlet was sometimes spelt. See "Fawler" repeatedly above. Fawler is in the parish of Kingston Lisle, and, as a general rule, this parish is not mentioned. Kingstone Lisle is now a distinct civil parish; Ecclesiastically it is a chapelry in the parish of Sparsholt. Fawler had a chapel of its own at one time.

Marriages at West Hanney,

1564 to 1837.

NOTE.—The Registers of West Hanney comprise also East Hanney, North Denchworth, and Lyford, the latter being made a separate parish in 1845. Hanney was in the ecclesiastical jurisdiction of the Dean and Chapter of Sarum, so testamentary records and register transcripts must be looked for in that Peculiar.

Vol. I. is simply a collection of leaves beginning 1564—Baptisms, Marriages and Burials—and ending 18 Feb. 163 $\frac{2}{3}$. The leaves are 28 in number.

Vol. II., also unbound, 14 leaves sewn together, is put with Vol. I., dates from 9 Oct., 1633, to Mar., 1653.

Vol. III. There are two Vols. marked III., according to the returns made in 1813. A., 1666 to 1699—Baptisms, Marriages and Burials—consisting of 28 leaves of parchment; leaves 10, 11, 12, marked 109, 111, 113, are simply slips of parchment, 4 to 2-in. deep, dated 1677, 1678, 1679, 1680, 1681 is blank; size 7-in. by 10. The other Vol. [B.] is 12-in. by 5, paper, in bad preservation, consists of 118 leaves; leaf 29 $\frac{1}{2}$ left, blank on one side; leaf 34 the same; leaf 36 only 14 entries, rest blank; leaf 40, 21 entries; 82, 9 entries; 84, 15 entries and one torn; 85, 24 entries; 86, 31 entries; 87, 20 entries; 88, 28 entries; 89, 90, 91, all entries on one side of leaf only; 94 the same, to 104; the rest both sides, paged from 149 to 367. B contains Baptisms, 1666-1766; Burials, 1678-1783; Marriages, 1666-1753. A volume containing Marriages, 1753 to 1758, has been destroyed all but one leaf (see note in text). The Marriages 1754-1758, here given, have been copied by Mr. Nevill from the Transcripts at Salisbury.

The Marriages copied by Mr. Nevill from the Salisbury Transcripts are on a loose leaf—1754-58.

Vol. IV.—Baptisms, 1766-1812; Banns, 1816 to 1823; 106 $\frac{1}{2}$ leaves filled, 51 $\frac{1}{2}$ leaves blank, last page Churchwardens' accounts; 158 leaves in all.

Vol. V.—Banns, 1761 to 1815; Marriages, 1758-1793, 42 pp. and 48 pp.

Vol. VI.—Marriages, 1792 to 1812; Banns, 1815; 44 pp. filled except lowest entry form; 1 p. Banns.

Vol. VII.—Burials, 1785-1812; 93 pp. filled, 62 leaves blank, well bound in parchment.

Vol. VIII.—Baptisms, 18 Jan., 1813, to Dec. 7, 1834.

Vol. IX.—Marriages, Jan. 4, 1813, to 27 Feb., 1837.

Vol. X.—Burials, 1813 to 1848.

Vol. XI.—Baptisms, 7 Dec., 1834, to 5 Oct., 1856.

Vol. XII.—Banns, 1823-1880, in a deplorable state.

Vol. XIII.—Burials, 1883 to date.

Vol. XIV.—Burials, 1848-1883.

Vol. XV.—Baptisms, 1856 to date.

Vols. XVI., XVII., four of the usual Marriage Registers for both sides of the parish, from 1837 to date.

A complete copy of all the Hanney Registers was made by the Rev. Mr. Joy, a curate there in the middle of the last century, but these abstracts have been made by the Rev. E. R. Nevill, B.A., F.S.A., the present Vicar, from the original Registers, and are now printed under his supervision.

One sheet of the lost volume 1753-1758 survives. It contains Marriages for 1753, etc., and bears the following note by Mr. Joy, curate of Hanney in 1858:—"This sheet, mentioned at page 44 of Burns History of Parish Registers in England, is all that remains of the parchment book of Register of Marriages begun in 1753, in consequence of the passing of Lord Hardwicke's famous Marriage Act, 26 George II., cap. 33, for preventing clandestine marriages, which book, the rascal Belcher, churchwarden (who kept a shop adjoining Richard Lloyd's house, and which R. L. bought lately at Mrs. Godfrey's sale) brought home and converted to his own use. Therefore wanting from beginning of 1754 to Dec., 1758."
